Save the Date!

We hope you will join us for the Health Scholar Showcase at the Texas State University Performing Arts Center on February 10, 2017. We will be sharing some of the best examples of scholarship from Texas State investigators, interdisciplinary teams, departments, centers, and facilities engaged in health research and sponsored programs. The Health Scholar Showcase will include an interactive poster session, networking opportunities for faculty and funders with shared research interests, and a panel of experts who will discuss current challenges and opportunities for translational health research and sponsored programs.
